Annual  
Fundraising  
Dinner  
2017

SERVE 6.8 is a 501(c)3 non-profit with a mission to unify, equip, and be an extension of the local church to serve the poor.

We serve through our two programs:

**Community Impact:** Connects team members to rehabilitation projects, for vulnerable populations, that increase housing safety and stability while drawing on and increasing the client's social and church supports. There were 28 projects completed in 2015.

**Resource Center:** We take an asset based approach with guests to address their current financial crisis and encourage them to get connected to a church community for ongoing relational support and address underlying issues of their poverty. There were 2,100 guest visits in 2015.

To be successful, SERVE 6.8 relies on the generosity of community supporters. We hope you find this event to be a valuable investment.

**Mike Walker,  
Executive Director**
