

SERVE 6.8 PROJECTS Liability Release

By completing this form and asking for assistance, the guest understands that this is not a guarantee that a project will be done by SERVE 6.8; however, the project will not be started without this form being completed.

It is important that the guest clearly understands the following information.

Please read, and sign below:

SERVE 6.8 is a non-profit organization that uses volunteers to work with guests to complete requested projects. Actions taken by SERVE 6.8 are being done as an act of love for God and as an act of service to the guest. We are people serving our community to demonstrate God's love to people in Northern Colorado in tangible ways with no strings attached.

Our volunteers are not professionals and receive no pay for their time. Volunteer teams are supervised by experienced leaders or by professionals while doing their work. It is possible that SERVE 6.8 will determine that a project is beyond the scope of volunteer work, and so SERVE 6.8 might choose to enlist the assistance of a paid company.

SERVE 6.8 expects the guest and others living in the home to be as involved as possible with the project. We also encourage the residents of the home to volunteer at the SERVE 6.8 facility to help others. Project materials/supplies will be paid for by the guest unless prior arrangements have been made. Repairs, project details and scope will be explained to the guest prior to work beginning, although SERVE 6.8 is in no way obligated to do the repairs being discussed.

SERVE 6.8 does not put any liens on the home in exchange for work being done. SERVE 6.8 will do everything possible to ensure that the work is done properly; however, any work completed is not guaranteed. SERVE 6.8 will always try to complete any work started, but the completion of the work is dependent upon the availability and skill level of volunteers. Unfinished work will be the responsibility of the homeowner.

In the event of removal of household items, this release will allow SERVE 6.8 to make decisions about what items in the home are suitable for donation to our ministry or another ministry in the area, and what items must be taken to a landfill. The guest understands and will not hold SERVE 6.8 liable for the donation or disposal of any items at the property regardless of value or importance.

The guest releases SERVE 6.8, its staff, and volunteers from any liability for personal injury to anyone on the property, property damage, or poor workmanship.

I have read and agree with the terms above:
